JEFFREY DAYMONT

Comedy Juggler

Thousand Oaks Civic Arts Center

Jeffrey has been invited to perform his Science of Juggling program for students from local schools at Scherr Theater on January 25th. These shows will be part of the Discovery Center's Science Theater series.

Ring in 2012!

Guests at Pechanga Casino welcomed the new year with performances by Jeffrey the Juggler, Star Child the Stilt Walker, and Ramon the Magician.

Special thanks to Phil Briggs of Jumbo Shrimp Circus and Dominique at Pechanga Casino for making the arrangements!

Special thanks to the WFA for a well run convention this year in Anaheim! I had a great time meeting with clients and re-connecting with colleagues.

Easy Assembly on Facebook

Easy Assembly has just launched a new Facebook page as a forum for creative solutions towards education. Drop in to see our posted links, share your own success stories, and even enter to win a free assembly for your favorite California school!

Science of Juggling comes to the Thousand Oaks Civic Center Jan 25th
